YEARLY MEETING OF FRIENDS
FOR NEW ENGLAND

Swansey Monthly meetings
Records of the Births & Deaths
of the members thereof.

A Committee nominated some time past to Consider what alteration or addition would be best to be made respecting the recording of births and Deaths of Friends, report as follows, viz. We your Committee according to appointment have considered what alteration or addition is necessary to be made in the book for recording of births and Deaths of friends and their Children belonging to the Monthly meeting at Swanzey, and have found the book to be in Caleb Earle's care upon examining the same we find nothing in the book to confirm it to be the Monthly meeting act; Therefore we think best that an introduction be added.

Caleb Earle,
Benjamin Buffinton,
John Earle,

After the report was read and considered it is approved of and the meeting confirms the above book to be the above Monthly meetings Book for that purpose, and the Clerk is directed to enter this minute as an introduction in the Book.
